EXPLORING THE **BTL** SUPPORT

For better access to available promotional materials, platform **BTL** SUPPORT has been created. Download desired content anytime anywhere.

Log In

- Contact your local BTL provider to provide you access into **BTL** SUPPORT platform.
- Log into: **btlsupportint.com**.
- Reset your password by clicking **"Forgot password"** at the bottom of the log in screen.

Browse Content

- Follow **BTL** SUPPORT structure table below for better navigation.
- Use **"Choose language"** function to filter the content according to your language preferences.

Download Content

- Use **"Download"** button to download the file directly into your device.
- Use **"Copy link"** button to quickly share the file with anybody having access to btlsupportint.com.
- Use **"Add to package"** button to add the file into the package of multiple files. You can later download them as a zip file or share via download link with anybody, even those not having access to btlsupport.int.

Return to Home

- Return to the Home Screen by clicking on the BTL logo in the upper left corner or by clicking on **"Home"** in the navigation bar.
